Note: Where items are marked 'exchange', you will be told where to send the old item, in a clean condition please, after you have placed your order. Upon receipt of the old part, a replacement will be shipped to you. Overseas members are advised to insure items sent for exchange. All items listed are either new or refurbished 'wear and tear' parts.

Note also: if you are not skilled in vehicle repairs and you are contemplating a repair which might impair the safety of the car, you should engage the skills of someone who is competent.

To aid members in identifying parts, especially where there are variations, photos are being added to the "Stores Spares" album on our Web Forum. (Email editor for assistance in joining.) There are 75 photos so far, more to be added.
